All drivers will be asked to display, on their car our sponsors decals that will be in an appropriate position to be discussed individually to support our sponsors but not distract from own colours and sponsors or any conflict of interest.

Only entered drivers can race, there will be no refunds for anyone who enters and does not compete.

No pay-out's for rainouts

All drivers to support sponsors where possible.

All drivers MUST notify via email at least 48 hours prior to race meeting if they will not be there, All email notifications will be answered so you know we have received them, failure to do so will result in not being eligible for prize money; the reason for this is due to this year having contract agreements with the clubs we have to be able to list drivers and put on a good show with as many cars as possible at every meeting, please help us to help you make this series great, we understand completely unforeseen circumstances may happen and will be understanding of same as long as we are informed, NOT waiting at track for an entered person not turning up.

Drivers are reminded that it is beneficial to our series if they can attend prize giving in each clubs clubrooms after each meeting. All drivers are to remember that they are not only representing their clubs but also Southern Saloon Series and to be respectful of different clubs pit policies & officials.

All drivers are reminded that all tracks have different policy's regarding driver and crew gate entry costs and we have NO control over this, we have asked some clubs and will inform drivers any information we know of prior to racing at that track.

All drivers are asked to fill in attached information page ASAP as we need good accurate information.

Ideally we would like 24-27 cars to enter. Once we have confirmed amount of entries the format will be placed on web site, as the format will be determined by the amount of entries we have.
